SUNDAY 29TH MARCH - SATURDAY 4TH APRIL 2009

Mayrhofen, Austria

<http://www.snowbombing.com/en/>

Snowbombing's live line-up keeps on growing like a snowball cascading down a mountain with today's announcement that Scottish rockers **Biffy Clyro** will join BBC Radio 1's rock 'n' rave pioneer **Kissy Sell Out** on the bulging live line-up to celebrate the snow-capped 10th birthday shenanigans. Even in this belt-tightening climate, it seems that the snow keeps on falling on this fun-filled festival!

The live bill is packed to the rafters with everything on offer from the most well established acts right through to the very latest hotly tipped upcoming bands. Producer, remixer, DJ and legendary party animal **Fatboy Slim** tops the bill with what promises to be one of his most exciting live shows yet, UK's finest rap artist **Dizzee Rascal** is set to bring his urban touch to the mountains along with the upcoming **Master Shortie** while indie messiahs **Reverend And The Makers** lead up an all-star cast of the UK's finest live guitar and electronic acts including Devonian greasers **Rumblestrips**, Snowbombing favs **The Whip**, indie supergroup **Mongrel** and the hotly tipped **Flashguns**.

Elsewhere on the eclectic, electric live bill are Kiwi electro mistress **Ladyhawke**, the fearsome **Filthy Dukes**, Parisian dark lord **Dan Black**, fast-rising rockers **Red Light Company**, plus no less than three of the hottest new female fronted acts for 2009: **La Roux**, **Charlie XCX** and **Eliza Doolittle**. Snowbombing stalwarts **The Cuban Brothers** are once again set to unleash their infamous live show of breakdancing, comedy, nakedness and funk classics on the Mayrhofen crowds while twice UK Beatbox champion **Beardyman** will be brandishing his extraordinary vocal talents as part of the massive 10th year anniversary Snowbombing celebrations.
