SELLING OUT IN RECORD TIME!

Grab a slice of SB:11...

Blimey! Anyone would think the pillow cases in Mayrhofen had images of Robbie, Gary, Mark, Jason and err the other one with shaggy hair on them, for such is the **demand for beds at SB:11!**

As expected, our **unprecedented line-up** is causing **unprecedented bookings**. There are still beds of all standards out there - but just like Paul Gascoigne, we don't expect them to be around for much longer... So you best **move quickly** and [reserve your slice of Snowbombing sharpish](#), as we're not crying 'wolf' here!

Euro Festival Awards

Ahh, November... Frightened pets, Christmas decorations (what already?) and the handing out of awards...

The European Festival Awards are the most prestigious Europe-wide festy gongs a promoter can lay their party paws on and this year Snobombing has been nominated for **Best Small Festival** AND **Festival with Best Line-Up!** [VOTE FOR US HERE!](#)

Mitts on Kit Alert!

More people going Snowbombing, equals **more laughs, more jokers** and an even **LARGER atmosphere** - but it also means there'll be **more demand on kit...**

If you've booked, we strongly advise you to [get your kit hire sorted out now](#) (ski's/boots/snowboards), or you'll be left tramping around town from shop to shop when everyone else is up the mountain in the **sun, snow, schnapps and sausages!**

Top of the Class!

And the same goes for lessons... Every year we watch people leave it so late to book lessons that they lose a day of tuition. Take it from us - your mate/partner cannot teach you like they say they can! (And just 'cos you're a whizz on Shaun White Xbox, does not mean you're ready to tackle the Hara Kiri.) [Watch this](#) and then [get some lessons sorted!](#)

You'll be glad you did... We promise.

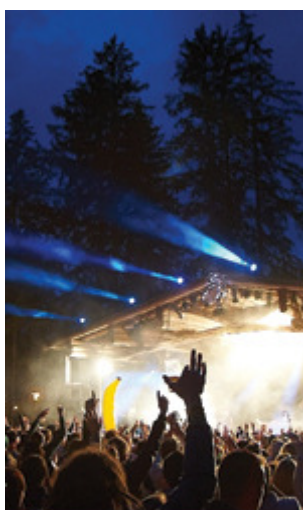

More Seats than Deckchairs R Us

Our in-the-know sister [beOutgoing](#) have now got **access to more flights than ever before!** Whether you are flying from Manchester to Munich, from Inverness to Innsbruck or from to Southampton to Salzburg, we can book you onto our **squadron of Snowbombing-bound departures** before you can say 'warm wine' and 'didn't these seats used to recline?'

We've also announced our resort transfers: We think we've got it covered, but if you don't see your flight listed please [let us know](#) and we'll severely beat Jason across the bottom with a rolled up copy of the Easyjet in-flight magazine.

Bye Bye BCP

Tickets for the **Backcountry Party** have now sold out! Don't say we didn't warn you! Our **bonkers barndance** is now rammed to its rafters with randomites and stuffed to its seams with surreal-seeking souls. [Both Monday and Thursday have now been taken off sale.](#)

The **Arctic Disco** is heading the same way - though there are LIMITED still places on Saturday (9th). [BOOK NOW](#) before this also gets the HOUSE FULL treatment.

...and More Nocturnal Emissions than a Monastery!

It's back! Our **nightbus linking the outskirts of Mayrhofen with party central** will once again rumble long into the darkness, shuttling Snowbombers between the bars and bustle of SB:11 and their beds.

The **regular service is free** - and what's more; as the Austrians are running it, it will be both as reliable and as punctual as you'd expect it to be. "Room for one more on ze top!"

Larkin About... It's Snowbombing Rhyme Time!

Calling all winter-loving wordsmiths, piste-bashing bards and powder-seeking poets! **This is your chance to pen your way to the top... Literally!** - We're looking to crown **Snowbombing's very own poet laureate...** Who will see their work published in the SB:11 Event Booklet and get to recite their ode at **The Arctic Disco Closing Party** on Sat 9th April for which they'll receive **2 complimentary tickets** - that's nearly forty pounds of awesome alpine pleasure and a night you'll never forget!

Yorkshire Here We Come!

Leeds is the next stop on the UK Club Tour, when we tie our trusty mule up outside **the Faversham this Friday** (1-5 Springfield Mount, Leeds, LS2 9NG), for a night in the company of METROPLOLIS and in particular SHY FX, DOORLY and more. It's only £7 and drinks will be flowing (courtesy of the lovely Eristoff) from 11pm-4am.

[Buy Tickets Here](#) / [RSVP on Facebook Here.](#)

Club Tour Gets Supercharged!

Supercharged is the leading Brighton night for all things beats and bass related. From deep dub step beats to fierce d'n'b bangers, Supercharged showcases the biggest names to take in the south coast sea air.

In celebration of our most recent **Club partnership formation with Supercharged**, we will be throwing not one but THREE bangin' pre Snowbombing parties together throughout December: [Click here for details!](#)

Between The Sheets: Snowbombing in Bed with DJ Mag.

In addition to being more up-to-date than next year's calendar, ever since 1991, **DJ Magazine** has delivered dance floor dispatches to the devoted. They are also the undisputed kingmakers of clubland: their annual Top 100 DJ's chart compiled with the help of 350,000 people. Djmag.com contains more reviews than 'Which?' Magazine's back catalogue... Why they even give you a great free CD with every issue! What a great way to mark 20 years of finger-on-the-pulse-of-partying publishing!

Sorted: We're pleased to welcome DJ Magazine as a media partner for SB:11.
