Snowbombing Takeover FABRIC this Friday!

A beautiful blizzard is blowing into Clerkenwell tomorrow - Fri 8th October. We're kick starting our **Volvo-driven Club Tour** with those proud purveyors of powder-friendly pulses; **FABRICLIVE!** Expect sub-zero style sub-bass shenanigans from **STANTON WARRIORS** and stateside slalom duo **KLEVER & CRAZE** in the main room. There'll be drum 'n' bass dexterity in Room 2 from downhill legends **HYPE** and **FRESH**, while Shoreditch snow-boaters **URBAN NERDS** prepare the kickers and rails in room 3, ably assisted by **MUMDANCE** and guests. This night always hangs the **FULL HOUSE** sign out, so hurry up and [guarantee your admission here!](#) **Team Snowbombing** will be shooting a few pre bebies in **The Castle Pub** from **8.30pm** just around the corner from Farringdon station, [come and join us](#) for a laugh and maybe a moustache too.

Olympian Task

The **Ski & Snowboard show** returns to **Olympia** from **20th-24th October** and once again we'll have our own exhibition stand, showing some cool SB visuals and giving away **free goodies** to anyone who arrives in **fancy dress**, or who takes part in our very special **Snowbombing photo shoot!**

At last year's event, we threw a huge street party which shook Olympia's foundations (err, not to mention Kensington Council's noise meters...). So this year we're moving festivities up the road (a little) and not turning it down (a little) for anyone! [The Official Snowbombing Afterparty](#) will feature **MISTAJAM**, **FREESTYLERS**, **LOOSE CANNONS**, **URBAN KNIGHTS**, plus special guests: Don't miss out... [Grab your tickets HERE!](#)

Pillow Talking in the Comfort Zone

We're about to announce our live line-up and when we do, it's all going to get a bit "Bethlehem". Snowbombing is about the only festival where you can [live in luxury](#) for the week rather than slum it in a tent - in fact, we can confidently state that the only temporary erection you'll see all week will be in Mike Cuban's leotard.

The most central apartments are first to fill - so if you want to **minimise your stagger home**; [book one here](#) and be the envy of every Austrian tramp from Hoch-Obergurgl to Wanglesteinwochle!

Go On... Gissa-Gong! - Latest

Thanks to all of you who voted for us in the Festival Awards. The first round of voting is now over and thanks to all you lovely loyal bombers, [we have made it onto the shortlist!](#)

So now's the time to propel us further onto glorious GONG-VILLE. Come on, [cast your final vote HERE](#). Let's win this year!

Maximise Your Mountain Mirth

They're the little round choco balls in the Snowbombing's 'Crunch Corner'; the [ARCTIC DISCO](#) and [BACKCOUNTRY PARTY](#) are unique snowy shindigs which one day you'll tell your grandkids about (not that they'll listen, because by then you'll smell and have no teeth - but you won't even notice as you'll be as blind as a bat in any case).

Always sublimely sound-tracked by some of our biggest names, it's no surprise that **we expect BOTH events to be sold out soon!**

Line-ups to these parties are never announced until the parties are sold out, so get your act together and [jump onboard now!](#)

More Partners than Tiger Woods!

When it comes to forming pleasurable couplings, we're proud to 'put it about a bit'. Our Lothario-like leanings have led to some [pretty fly media partnerships](#) this year: **meet the missus:**
