Top Hotels

As predicted, our **best beds** are being **snapped up** quicker than hungry Hans the Butcher gobbles a shnitzle, with **'No room at the Inn'** signs already hung up outside our 4* Favourite Hotels - **The Strass** and **The Mannis**. There is **still a wide range of accommodation available**, from 4* superior luxury to pocket friendly pensions & apartments so [click here](#) to perform a live search and **BOOK NOW!** Remember, our apartments are allocated on a **first come first served** basis in terms of their location, so if you are on a budget and want to be staying in the hub of the action, don't delay! Check out Snowboming's recommended **BEDS OF CHOICE** below:

Hotel Berghof (4 Star)

Next to the fantastic Racquet club, the **Berghof** is the **top choice** for staggering home at the end of the night. It has a **great spa** for chilling out after a hard day on the piste and is only a short walk to the **Penken Ski Lift**. This hotel is - pretty perfect so get in there now as it will be quick to go.

Hotel Brucke (3 Star)

Also known as 'the one over the bridge'. A traditional unit which is snugly placed **between two cable cars**. It's also above the **Schlüssel Discoteque** (one of our favourite venues) meaning a very short walk home! Rooms are cosy and **all possess a balcony** - some with forest views.

Apartments

If you're in a group of between 4-6 and looking for **budget option** then this is perfect for you. Our apartments are self catered with a **kitchen and living area**.
