Metro Presents... The Royal Wedding Street Party

Hang out the bunting! Take the day off! Volvo Snowbombing will be throwing the biggest Royal Wedding Street Party anywhere outside the UK. The **Metro Royal Wedding Street Party** will be turning a little piece of Austria red, white and blue and in true street party tradition closing the main street of the alpine village of Mayrhofen, decking it with **The World's Longest Bunting** (a record attempt perhaps). We'll be asking Snowbombers to bring their own 'something old, something new, something borrowed, something blue' to make the flags! . [Read More Here!](#)

Even More Acts Announced!

Where will it end?! We can exclusively reveal our favourite Belgian brothers, former forest headliners **2MANY DJ's** are returning to Volvo Snowbombing as is the mash-up maestro **DJ YODA**. Where the heavy bass collides with the traditional indie love of the song, is where you'll find **REVEREND SOUND SYSTEM**... You'll also find 'em in Mayrhofen this April! Also polishing their goggles is French electronic enfant terrible **AGORIA**, new star of the Los Angeles techno scene **LEE FOSS**, 'bombing faves **JAGUAR SKILLS & PLUMP DJ's** and disco queen **SOPHIE LLOYD**, [plus many more...](#) (All of whom un,derstand the offside rule, incidentally).

JAN 28 NEW LINE-UP ADDITIONS:
REVEREND SOUND SYSTEM | 2MANYDJS | DJ YODA
AGORIA | PLUMP DJS | JAGUAR SKILLS | LEE FOSS | SOPHIE LLOYD

Altitude Come 'bombing!

Its snow joke! Europe's premier snowbound **stand-up comedy fest ALTITUDE** is decamping to Volvo Snowbombing and you'll simply pise yourself laughing at the chuckle merchants taking over the main room of our newest venue, the space age Europahaus for three evenings. **The line up reads like a 'who's who' of the UK stand up scene.** [Read More...](#)

Some Pukka Gear!

If you've already booked, now's the time to sort out yer kit. By doing this now, you'll avoid wasting half of the first day trawling round the shops searching for the right size boots AND you'll have **more cash to play with** instead of using it up on equipment hire.

Bed Kandi

Our beds are still filling up faster than Andy Gray's Inbox. You'll get the best selection and have a bigger choice the sooner you stick your deposit down. So hurry, it's pay day after all!

Check out the current crop below...

Hotel Siegard (4 Star)

Enjoy **excellent cuisine and high-quality wines** in this small and pleasant hotel in a central and quiet location in the upper Ziller Valley, only a 10 minute free bus ride away from Mayrhofen. Hotel-Gourmet restaurant Sieghard offers a **sauna, a bar, and bicycles for guests' use.** [Read More Here...](#)

Hotel Stefanie (4* Girls Only)

This has been selected with our laydeez in mind: Comfy 4 star beds and off-the-scale pamper possibilities. The Stefanie is as glam as she sounds. Twin rooms all have baths and hairdryers with sepia Brad Pitt wallpaper. With a safe for your valuables and a satellite TV. [Read More Here...](#)

Self Catered Apartments

If you've got more than 3 chums coming with you **an apartment is the perfect choice!** There are a wide variety of apartments in the nearby surrounding areas of Mayrhofen. However, due to the high number available we cannot list them separately. Apartments can accommodate up to 8 of your friends. [Read More Here...](#)

Get Motivated!

The Lord of the Leotard is back! We're pleased to reveal the nation's favourite fitness guru, our P.E. lovin' pal **MR MOTIVATOR** will once again be putting you through your paces-on-the-piste at VSB: 11. Warming you up and warming you down and generally on hand to spread the stretched-lycra love... **Everybody say, 'huh!'**

Calling all Kate Middletons...

We've got together with the UK's leading **hen weekend** organisers '[Maximise](#)' to create a **pre-wedding package** which instead of fairy wings and some bloke pretending to be a Fireman, offers a top 4* hotel (the Hotel Stefanie) with all spa facilities and free ski lesson with a (real!) rugged ski instructor in the middle of the best party anywhere in Europe in April. Even if you're not getting married, this is **the ideal bespoke package for girls**. [Click here to read more.](#)

KOTM - Last Chance for Stardom!

The deadline for entering our sky high search for talent, **KING OF THE MOUNTAIN** is this this Monday at midday (31st Jan). Our pals at [Gigwise](#) will be choosing the top 20 uploads and put to the **public vote**. If you want to be in with a 'shout, shout, let it all out' etc and embark on a lifetime of shallow celebrity, actress girlfriends and the inevitable exhibition of your crap oil paintings when you reach 50, [click here!](#)

The Volvo Snowbombing Chalet-Hotel!

We've lined up the **coolest crib in the crisp white stuff**: The Snowbombing Chalet Hotel (aka Stoanerhof) combines the exclusivity and intimacy of a chalet with the facilities (served breakfast, bar area, sauna and gym) of a hotel! This place is ideal for a group of 30. [Read more here!](#)
